EPC RATING

DESCRIPTION

A prominent, newly refurbished and centrally located light industrial building complete with solar panels and a large secure yard with electric charging points. The unit is built of steel portal frame and has good eaves height of c.6m, a 4.8m high roller shutter, 3 phase power and direct access onto Verney Road. The unit comprises 8,651 sq ft of warehouse space and 474 sq ft of ground floor office space.

LOCATION

The building is located on Verney Road and is well served by public transport with South Bermondsey train station 0.4 miles away and Bermondsey underground station 1.2 miles to the North.

Capital Industrial prepares sales and letting particulars diligently and all reasonable steps are taken to ensure that they are correct. Capital Industrial will not be under any liability to any purchaser or tenant or prospective purchaser or tenant in respect of them. If a property is unoccupied, Capital Industrial may not have all the information required by a prospective purchaser or tenant in its possession, may not be able to obtain it and may not be able to verify all the information which it does hold. The mention of appliances and/or services or heating/cooling system or any other plant or fenestration systems in this description does not imply that they are in working order. Prospective purchasers should make their own investigations before finalising any agreement to purchase or lease.
