## EPC RATING

## DESCRIPTION

This four unit estate has just undergone a full internal refurbishment including first floor offices to the front of the units, as well as brand new roofing. The ground floor accommodation is accessed via full height electric roller shutters as well pedestrian entrances that front onto forecourt parking and loading areas. Find more information at [www.havelockterrace.com](http://www.havelockterrace.com)

The units can be taken as a whole (22,016 sq.ft) or can be split to accommodate sizes of circa 5,500 sq ft units.

Havelock Terrace is located in the heart of Battersea, a vibrant and evolving district in London, with a mix of historical landmarks, green spaces, redeveloped residential areas and urban developments. It neighbours the iconic Battersea Power Station, a mixed-use development, which is now recognised as one of Europe's largest retail hubs.

## LOCATION

Havelock Terrace is situated in a prime Central London location, right in the heart of Battersea, 2.2 miles south west of the West End, and 4 miles south west of the City.

Capital Industrial prepares sales and letting particulars diligently and all reasonable steps are taken to ensure that they are correct. Capital Industrial will not be under any liability to any purchaser or tenant or prospective purchaser or tenant in respect of them. If a property is unoccupied, Capital Industrial may not have all the information required by a prospective purchaser or tenant in its possession, may not be able to obtain it and may not be able to verify all the information which it does hold. The mention of appliances and/or services or heating/cooling system or any other plant or fenestration systems in this description does not imply that they are in working order. Prospective purchasers should make their own investigations before finalising any agreement to purchase or lease.
